

Option # 2:

Thanks to a generous grant from (**NAME OF COMMUNITY ORGANIZATION OR BUSINESS**), our "ABC," can at last offer a safe effective product to the families in our county/school district at an affordable cost.

Option # 2:

("ABC "**LOCAL SCHOOL DISTRICT**") is soliciting one time donations to raise \$NNN seed money to start this program, which will serve the entire school system, and will be self sustaining.

Send donations to:

For more information about how to detect and control head lice on our most precious resource, our young grade school children - please call or e-mail (NAME, TITLE) at (CONTACT INFO).
