## How To Use De-Bug<sup>©</sup>

### It's Easy

- Dampen hair with warm water - Protect eyes
- Spray **De-Bug<sup>©</sup>** on hair and scalp 'till saturated
- Let stand for 15 min. Keep hair and scalp wet with **De-Bug<sup>©</sup>**
- Massage lightly every 5 minutes
- Rinse under faucet, or use a water spray bottle
- For easy Nit removal, use **De-Bug<sup>©</sup>** Lice Oil roots to ends.
- Follow directions on Lice Oil bottle.
- Use nit comb to remove lice and/or nits
- If any lice survive, re-shampoo immediately.

### It's Safe

- Contains no poisons, pesticides or harsh chemicals
- Safe enough to use daily
- Environmentally friendly

### It's Effective

- for chronic cases, use daily for 3 days, then twice a week.
- when you find Nits, but no live lice are found  
*Use twice a week for 2 weeks*
- for other family members when one child is infested  
*Use twice a week as your regular shampoo. Spray on 15 minutes before you shower.*
- to help your child when classrooms get infested  
*Use twice a week after school while at risk. Keep hair in tight hair styles; 1 braid or 1 ponytail, rubber banded down to hair ends*

All-Natural and Biodegradable  
**Use as often as you need**
